# 2009

---

After the success of the 2008 calendar, Club Peugeot UK will be producing a 2009 calendar in the same format: 12 monthly leaves, each featuring different Peugeot models, plus a year-to-view calendar leaf at the back, all contained in a folding CD case.

The price of the calendar is £7.25 per copy including packing and UK postage. European postage is 54p extra per copy and rest of the world £1.37 extra per copy.

If you wish to order calendars, please complete and return this form, together with a cheque made payable to CPUK, to John Hepner at the address below. Closing date for orders is 10 December and calendars will be despatched by mid- December. Orders can be accepted after this date and will be despatched as soon as possible but there is no guarantee that the calendars will arrive in time for Christmas.

Should there be insufficient demand to make the production viable, all cheques will be returned.
